### ATTENDING GROUP CONNECTS

The first Group Connect of the semester was a great success! If you were unable to attend the first one, check your Bb for more upcoming dates.

Please take notice that the Group Connects scheduled for Oct. 10th & Nov. 6th have limited space and you **must sign-up** to attend those Group Connects.

If you will arrive more than 15 minutes after the start time, please sign up for a different Group Connect date. You should be present for a majority of the time that the sessions are taking place. Group Connects are designed to promote community between scholars and to inform students of resources available to them on campus and in the community. It is difficult to accomplish this if you are only able to attend part of a Group Connect.

There is not a dress code for these sessions.
