SIGNING IN AT EVENTS AND GROUP CONNECTS

As some of you may have noticed, there are QR codes at the events that Multicultural Programs and Multicultural Services are hosting. This is an attempt to streamline the sign-in process and to collect data so that the departments can try to make events better in the future.

In order for the QR code to work properly, students will need to be signed into their MSU account within Office 365. For those that might run into some issues getting the QR code to work, students can sign-in manually on the same sheet as the QR code.

One other option you will have for signing in at events and group connects is if you download the “Modern Campus Presence” app to your Android or iOS device. Once the kinks have been worked out of this brand new app, this will be the preferred method of signing into events and group connects.

In order for your events and group connects to be approved in Blackboard, you are strongly encouraged to sign into Multicultural Services and Multicultural Programs events in one of the ways mentioned above.

Week-at-a-Glance

MONDAY, SEPT. 4
Labor Day - NO CLASSES,
NO EVENTS

TUESDAY, SEPT. 5
EVENT: Tuesday Talk
1p-2p @ MRC

GROUP CONNECT:
Resume & LinkedIn
Builder
3p-4p @ PSU 315

SEPTEMBER 4, 2023

PUBLIC AFFAIRS CONFERENCE 2023

The MSU Public Affairs Conference 2023 will be held from Sept. 26-28. These events will count towards your program requirements. Most of the events are via Zoom webinar so you will need to follow the directions in Bb carefully when submitting these. Here is the link to the conference schedule: <https://publicaffairs.missouristate.edu/2023/schedule.aspx>.

ORIENTATION FOLLOW UP

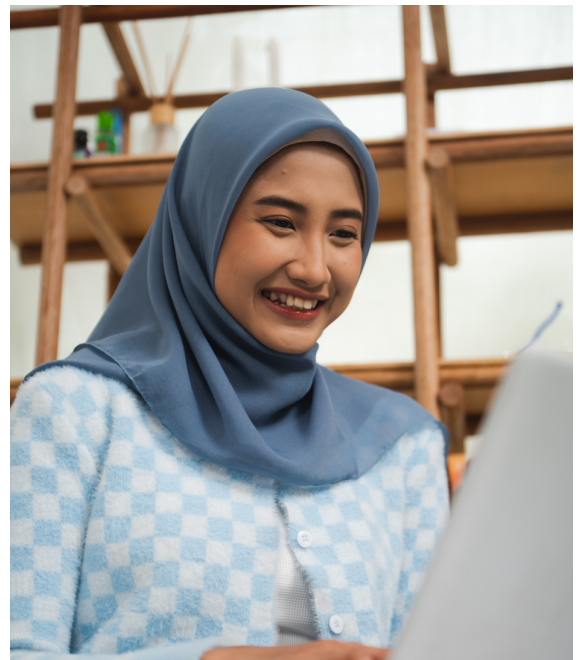

Orientation **does not** count as an event. If you submitted it as one in Bb, those submissions have been cleared and you will need to attend another event. This information was communicated in the very first blog post of the semester.

The follow up orientation is Friday at noon. The Zoom link is:

<https://missouristate.zoom.us/j/91071812384?pwd=eHo1aXkwdDBlZXU4dnROTTFnLzZwZz09>.

Meeting ID: 910 7181 2384

Passcode: 094316

Purpose First: From Undecided to Decided and Beyond

"Are you undecided on your major? Unsure of how your interests and skills align? Would you like some help and guidance as you think about this decision?" Studies show that students who select a major field of study based on their values, skills and interests are more likely to complete their degrees on time and with less debt; additionally, they are more likely to gain employment sooner after graduation. Please consider signing up to be a part of the Purpose First Pilot Program. Bears Lead, Inclusive Excellence and the Career Center advisors and staff will be involved in helping you down the pathway to degree completion and a purpose-driven career. Interested students will be contacted in the coming weeks with more information and about getting started in the program. After an initial meeting, there is a small monetary incentive when you commit. If you want to learn more, please click the link to express interest: <https://forms.office.com/r/SaPLqrEzQR>.
