Still needing Events?

Are you struggling to complete your 3 events requirement? Did you know that you can attend events hosted or sponsored by other programs on campus and in the community. Here are a few resources that you can look to find events:

1. The Inclusive Engagement Committee on campus puts out a monthly and weekly calendar. These are posted in the "Events" link in Bb.
2. The American Indian Center of Springfield has events that they put on that can be counted. See below for their "Schedule of Events".
3. The Springfield-Greene County Library District also has events that are held throughout its branches. These events can be found online at: <https://programs.thelibrary.org/events?a=adults>. They also publish a quarterly newsletter with a list of events at: <https://thelibrary.org/programs/documents/bookends.pdf>

CONNECT**Group Connect/Event Swap Opportunity**

Did you miss your opportunity to attend a Group Connect this semester? One last opportunity is being offered to complete it. Scholars may attend any 1 of the following 4 events and can swap it for a Group Connect fulfillment. However, it CANNOT COUNT as both an Event AND a Group Connect.
