IES BLACKBOARD SUBMISSION DEADLINE

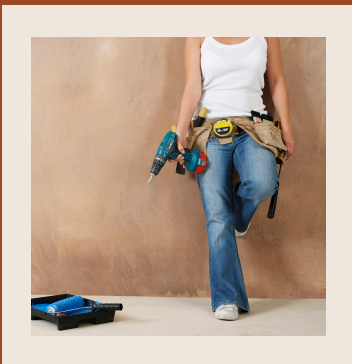

Monday, December 11th
@ 5:00 PM

The deadline to submit your 3 events and Group Connect is fast approaching. You must have these items submitted in Blackboard by **5:00 PM on Monday, December 11th**. No submissions will be accepted after the deadline passes.

The deadline to turn in service hours for fall is 11:59 PM on Dec. 31st. Any service hours received after that will be counted towards the spring semester.

Scholars that are required to have a 1:1 meeting have until **Friday, Dec. 8th** to complete and submit that requirement.

Do you need service hours but have trouble getting off campus or finding transportation? Look no further, we have a solution! MSU's Habitat for Humanity Campus Chapter and Multicultural Services are teaming up to help with Habitat for Humanity's annual fundraising calling campaign called "Toolbelts and Bowties".

Calls can be made from wherever you want to be. All you need is a working phone. Volunteers will make calls to current and new donors to encourage their continued or new giving.

If you or know someone who would be interested in helping with this amazing opportunity, please sign up at <https://linktr.ee/msuHabitat> and click on the "Toolbelts and Bowties Calling Campaign" link. There will be a training session on Feb. 1, 2024, in PSU 315 from 6:00 PM - 8:00 PM.

If you have any questions, please contact Dr. Rabekah Stewart-Clark at rstewart@missouristate.edu.

The next Adopt-A-Street clean-up is scheduled for this Saturday, Nov. 18th at 9:00 AM. The meeting place is the Walmart Neighborhood Market at the corner of Campbell and Grand. You will need to sign-up and fill out the proper waivers if you have not already done so. Go to: bit.ly/cosaas.

Youth Mentoring Program- International Institute of Southwest Missouri-Refugee Support

"Do you have the experience to help a young refugee navigate a new country and culture? Do you want to help shape the future of our next generation? At the International Institute of Southwest Missouri, we serve refugees from all around the world, and, in addition to assisting in their resettlement, we also help young immigrants follow their dreams. The Institute is looking for people who would be interested in volunteering one hour per month next year to mentor these new Americans. You will work with youths between 15 and 24 years of age who need guidance in reaching their academic and work-based goals."

If you are interested in participating, please complete the form at the following link by **Wednesday, Nov. 15th at 10:00 AM**: <https://forms.office.com/r/QjGdJRWWaY>.
