**LAST EDITION OF THE YEAR**

April 29, 2024

**Deadline: May 6th at 5:00 PM**

**All events, Group Connects, and service hour submissions are to be submitted in Blackboard by the close of business on Monday, May 6th. At 5:00 PM the Blackboard course will become unavailable and you will be unable to make any further submissions.**

**What happens if I do not complete all my program requirements by the deadline?**

Contact Dr. Rabekah Stewart via email at [rstewart@missouristate.edu](mailto:rstewart@missouristate.edu) and explain the reason you were unable to complete the requirements on time.

**When and how will I know if my scholarship has been renewed for the 24-25 academic year?**

After we have received, verified, and approved all program requirements (which will take about one week after the submission deadline) we will send our renewal/non-renewal list to Financial Aid. They will run final grades and credit hours AFTER final grades have been posted. It will take them roughly 2-3 weeks to verify all the requirements. Around the beginning of June, you should see your scholarship renewed in your My Missouri State portal. You will not receive any other notification that it has been renewed. **If you do not see the scholarship in your portal by the middle of June, please contact the Financial Aid office at 417-836-5262 or [FA\\_Scholarships@MissouriState.edu](mailto:FA_Scholarships@MissouriState.edu).**

**When can I start counting service hours and events for the fall semester?**

You can start counting events starting with the Belong-B-Que on Sunday, August 18th. If you want to complete service hours before 8/18, you will need to contact Dr. Stewart to have them approved.
